1 January 2023

**ATTENTION: ParaVolley Federation of India**

**Re: Invitation to enter 2023 World ParaVolley Sitting Volleyball World Cup for Men and Women**

Dear Chandru,

On behalf of World ParaVolley, I invite PVFI to enter the 2023 World ParaVolley Sitting Volleyball World Cup for Men and Women to be held 11 to 18 November 2023 with teams arriving on 8 November.

This is a very important event because, not only are world ranking points allocated, but also the highest ranked team from both the Men's and Women's competition (who have not already qualified) will gain a spot in the Paris 2024 Paralympics.

All World ParaVolley members 'in good standing' are entitled to enter, with no qualification criteria required.

Full details of the event, including due dates and costs are provided in the November 2022 Newsletter, which I have attached for your information.

Please note that an Agreement to Participate (form to be sent to you shortly) along with the World ParaVolley Entry Fee is required by 1 February 2023.

We hope that India is able to enter this very important event.

Sincerely,

Glenn Stewart  
Technical Delegate  
2023 WPV Sitting Volleyball World Cup
